For our Annual GratisGives Celebration

THIS YEAR, WE'RE GOING DIGITAL

Rain or shine, the mission of local nonprofits never stops, and our need to support them and our community never stops either!

Join us Thursday, May 28th @ 1pm

As we broadcast LIVE on Facebook!

We will be featuring each nonprofit organization through videos, giving them time to share their purpose and mission. Together, we'll celebrate the amazing people that are part of each nonprofit and our community.

Let the community know that good work matters. Join us on May 28th, 2020 | Like, follow, share, and watch us on Facebook as we help raise awareness and funds for the nonprofits in our community.

100% of the funding raised through sponsorships will be evenly distributed to the participating nonprofits.
